

Below is a map of the DOT complex. You will need to enter through the main entrance at the Admin Building. The security guard at the front door will issue you a visitor's badge when you first enter the building. Please have your driver's license ready. The room we will be meeting in is at the northwest corner of the Northwest Wing on the first floor (the green "X" marks the spot).

For lunch this time a group of us will be heading across the street to Hy-Vee. Please feel free to join us. Otherwise, please prepare your own lunch plans.
